## School-wide News

### Lunch Menu Update

To continuously improve the lunch flavors and enhance students' dining experience, the school will add an additional meat dish option to the Chinese/Western food windows starting this Thursday (June 4). After the adjustment, students can choose two out of three options: the original meat dish, the Western dish, and the new meat dish.

This is currently in the trial improvement phase. During the summer vacation, the school will evaluate and decide based on student feedback and trial results: whether to keep the "choose two out of three meat dishes" model or implement a more comprehensive update to the Chinese menu.

### School Lunch Survey

We are always looking for ways to improve our school lunch experience. This short survey is designed to gather your thoughts on the current lunch offerings—what you enjoy, what could be better, and any ideas you may have. Your feedback will help us serve meals that are not only nutritious, but also enjoyable for everyone. Whether you're a student, parent, or staff member, your voice matters. Thank you for taking a few minutes to share your input! Available [HERE](#).
