INTERNATIONAL DAY

INTERNATIONAL DAY

Friday, April 23, 2021

This year's International Day is only one week away! It will be held on Friday, April 23, from 11:45 am to 3:00 pm. This day is both a celebration of cultural diversity and an excellent opportunity to connect with school families. Please join us on that day! We will have a flag parade, an international food festival, and performances.

- **Flag parade** — The Parade of Flags will kick off the International Day Celebration. The oldest girl and youngest boy of each nationality will carry the community country flags. The parents whose child is carrying a flag will be informed, and the students carrying flags are to gather at 11:45 am at the ECC Sensory Zone to get ready for the parade.
- **International food festival** — This year there are 11 food booths including countries chosen by classes as well as countries that represent our student nationalities. We are thankful for all the work going in to prepare this sumptuous food. Thank you, parents!
- **Performances** — Students from choir and staff, will bring the love and joy of different countries' cultures to us. The detailed performance schedule will be laid out in next week's newsletter.

Please note that to promote community bonding, participating families are encouraged to be with their child during International Day, join in the activities together, and enjoy the festivities. Friday after-school activities will run as per normal. If you have questions, please contact national advisory teachers. On behalf of the International Day planning team, we would like to express our
