

School-Wide Newsletter

International Day

International Day is our annual tradition of celebrating our diversity and learning about countries at YIA. This year's International Day is scheduled for 10:00 am on Saturday, November 7.

Although the event officially begins at 10:00, we kindly request that students arrive by 9:00 am. The program will kick off with a flag parade. Two student representatives from each country will proudly carry their flags. After the last flag-bearer enters the parade, all participants will take turns to join in the walk around campus.

There are many performances for you to enjoy. Additionally, each advisory students and teachers are organizing an array of engaging activities in the courtyard for all participants to enjoy. Our PTO is also contributing with booths representing China, offering finger foods and cultural activities/games. The school will provide everyone with hotdogs, chicken salad, and Lays Chips.

Please note that it is a regular school day and that all guests must be invited. This event is not open to the general public. Parents who wish to invite additional guests should inform the Homeroom Teacher.

2026 Fall Parent-Teacher Conferences and Family Potluck a Great Success

On Friday, October 30, our school successfully held its Fall Parent-Teacher Conferences and Family Potluck. The day included four segments: student-led one-on-one conferences, the general parent meeting, class parent meetings, and the Family Potluck, bringing families and teachers together on campus to focus on student growth.

During the student-led one-on-one conferences, students personally guided their parents in face-to-face conversations with subject teachers, vividly showcasing their learning outcomes and growth while making home-school communication more focused and in-depth.

At the general parent meeting, the school shared its overall priorities and the direction for collaborative home-school efforts, and officially announced the "Model Parent Recognition" initiative to encourage deep parental engagement in student growth. The recognition will be based on parent attendance in school events and parent workshops, as well as teacher nominations based on regular communication and engagement in student learning. Awards will be presented to outstanding parents at the end-of-year Parent Appreciation Meeting. We honor these parent models who, as lifelong learners, walk alongside their children and guard their growth with love and wisdom.

Class parent meetings provided parents with ample opportunity to connect with homeroom and advisory teachers. The evening Family Potluck created a warm and lively atmosphere, where parents, students, and teachers gathered to deepen understanding and strengthen connections.

We sincerely thank all parents for their active participation and strong support, and we thank our teachers for their dedication. Hand in hand, home and school work together to support every child's growth—we look forward to continuing this partnership with you.

Lunch Menu

	MONDAY 星期一	TUESDAY 星期二	WEDNESDAY 星期三	THURSDAY 星期四	FRIDAY 星期五
