Sickness

The medical attention of a student is the responsibility of the parent. Students should not be sent to school if they have bad colds, bad cough, fever (above 99°F/37.7°C), nausea, or have vomited in the past 24 hours. Keeping a sick child at home keeps the school a healthier place to learn.

Your child will be sent home from school for any of the following reasons:

- Temperature of 99°F (37.7°C) or above
- Vomiting (throwing up)
- Discolored nasal discharge
- If the student is too ill or uncomfortable to adequately function in a classroom setting
- Frequent diarrhea
- Suspected contagious illness, rash, spots or blisters
- Potential concussion

Sick students will be sent home after parents or emergency contacts have been notified. Parents will be asked to pick up their sick child as soon as they can, preferably within an hour after the phone call. Sick students will not be sent home on a regular school bus. All ECC and ES students must be picked up by a parent or guardian. A child will not be sent home without first contacting a parent. MS and HS students may go home in a taxi or other transportation with permission by parent. If parents are not reachable, the emergency contact needs to be notified. If a student is sent home due to illness, they may not return to school the same day.

Students may return to school:

- Nasal discharge or phlegm is clear
- No fever for 24 hours (no medication to reduce fever for 24 hours)
- Has not vomited or had diarrhea for 24 hours (if sent home with fever, diarrhea, or vomiting the student may not return to school the next day)
- In the case of a contagious disease, return to school will be determined on a case-by-case basis

If a child is recovering from an illness or injury and is required to stay indoors during recess or physical education, a written note from home must be sent with the child to the child's teacher. The school nurse will also receive a copy of this note.

Attendance Policy

If a student is unable to arrive at school on time, parents should contact the Chinese tutor at least before 7:45 in the morning and explain the specific reason for the absence. If a student is absent
