STUDENT COUNCIL ELECTION

The Student Council elections for the 2022-2023 school year are coming next month. Like last year, elections will take place in the spring for all officer positions, which will include the following positions: President, Vice President, Treasurer/Finance Director, Public Relations Director and Secretary.

On Friday, May 13, Student Council applications will be passed out to all interested students. Applicants for President and Vice President must be current 10th or 11th graders, while applicants for the other officer positions must be current 9th—11th graders.

All applications, along with teacher recommendations, are due to Mrs. Holden or Ms. Werner by May 17 by 4:30PM. Applications submitted after this date will not be accepted. All applicants will be interviewed by Student Council advisors to ensure that they meet the qualifications for their desired position(s). These interviews will be conducted from May 18 through May 20. When all interviews are completed, students will be notified whether or not they have been approved for the ballot. Approved students may then begin their campaigns on May 23 if they so desire. As part of the campaign process, candidates for the officer positions will have the opportunity to address the student body during advisory time in the MPR in the week of May 30th.

The elections for the 5 officer positions will take place on May 31, during assembly and June 1 during lunch advisory, right after their speeches. All secondary students in grades 8 – 12 and teachers will have the opportunity to participate in the voting process. Results of the election will
