Graduation ceremony

Tomorrow, the graduates will welcome their graduation ceremony. This is a solemn and shining milestone in the children's life journey — an important moment forged through their hard work and growth. We sincerely invite you to join us in celebrating them with applause and blessings, and to witness their first step from campus into the wider world. Your presence will be the warmest encouragement in the children's hearts and will add profound meaning to this ceremony. May we gather together, amidst laughter and emotion, to cherish this beautiful memory of growth, farewell, and new beginnings. Please dress in formal attire and join us in commemorating this unforgettable moment.

Learning Beyond Classroom

From Tuesday, May 26th to Friday, May 29th, the school will conduct a theme-based practical activity titled "Learning Beyond the Classroom." By breaking away from traditional classroom models, we are bringing interdisciplinary knowledge into real-life scenarios, enabling students to integrate and apply what they have learned—truly bridging knowledge with action. To ensure the quality and depth of learning, subject teachers will assign practice-based assignments alongside the activities, and learning outcomes will be included in students' academic assessments. We believe that when the classroom extends into authentic contexts, learning becomes more powerful. We look forward to seeing our students gain genuine insights and growth through practice!

Parent Appreciation Meeting

YIA sincerely thanks all parents for your long-standing support and cooperation. On the afternoon of May 21st, our school will host a Parent Appreciation Meeting. After sign-in and opening remarks at 13:30, the school administration will first present the YIA End-of-Year Report, comprehensively reviewing this academic year's educational achievements and student development highlights. Following that, during the Graduating Parents Roundtable Forum, parent representatives will share their experiences and insights on accompanying their children through middle school learning and the transition to higher education — "Using the path I have traveled to light the way for you."

Spring Concert

At the Spring Concert, students who took elective art courses (choir and band) delivered a splendid and highly professional performance that was deeply loved by the parents and students in attendance. We look forward to their continued excellence and hope this serves as an opportunity to inspire more students to step into the art classroom.

Senior Trip

Next week (May 25th – May 29th), YIA graduates will embark on their graduation trip to Suzhou and Hangzhou. This is a farewell gift from the alma mater to every graduate. We wish the graduates a wonderful journey, filled with cherished moments of friendship, a deep appreciation of our motherland's culture, and the confidence to embrace the next exciting chapter of their lives!
