International Day

International Day is our annual tradition of celebrating our diversity and learning about countries at YIA. This year's International Day is scheduled for 10:00 am on Saturday, November 7.

Although the event officially begins at 10:00, we kindly request that students arrive by 9:00 am. The program will kick off with a flag parade. Two student representatives from each country will proudly carry their flags. After the last flag-bearer enters the parade, all participants will take turns to join in the walk around campus.

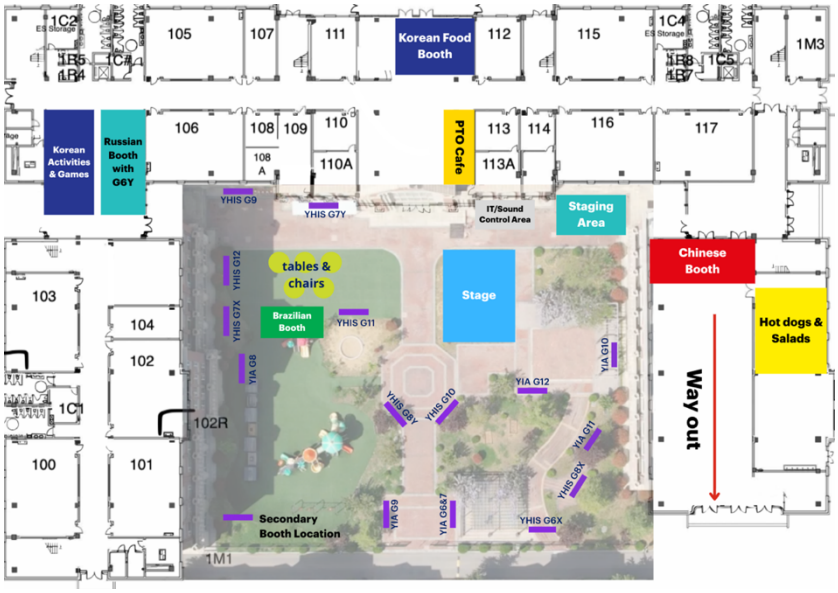

There are many performances for you to enjoy. Additionally, each advisory students and teachers are organizing an array of engaging activities in the courtyard for all participants to enjoy. Our PTO is also contributing with booths representing China, offering finger foods and cultural activities/games. The school will provide everyone with hotdogs, chicken salad, and Lays Chips.

Please note that it is a regular school day and that all guests must be invited. This event is not open to the general public. Parents who wish to invite additional guests should inform the Homeroom Teacher.

LifePlus Teacher Conference & Student Career Exploration Days

The annual LifePlus Teacher Conference is scheduled for Thursday-Saturday, November 19-21. While our faculty will be fully engaged in professional training and workshops to deepen their teaching expertise, these two days have also been specially designed for our students as "Career Exploration Days"—a valuable opportunity for them to step beyond the regular classroom and connect with the real world of work.

To provide students with authentic and enriching experiences, our College Counseling team hopes to leverage parent resources to offer diverse career exploration opportunities. If you or your company can provide resources such as social service projects, corporate visits, job shadowing, or industry sharing sessions, we would greatly appreciate your support!

Based on our students' current areas of interest, we especially welcome parent resources in the following fields:
Finance / Banking
Engineering
Business
Pharmaceutical, Food & Health
Media
(Other fields are also highly welcome—the more, the better!)

How It Works:
Our College Counselors will match available resources with students' intended majors. For students who have not yet decided on a major, they will be encouraged to form teams based on their personal interests.

We look forward to your strong support as we build a bridge between the campus and the real world for our students!

TIANMUN

TIANMUN is a three-day United Nations simulation for G8-12 hosted by Tianjin International School (TIS). Students from schools all over China will work together to develop and debate innovative solutions to current world issues. TIANMUN is scheduled for November 12-14, and this year's theme is Concord through Discourse.

2026–2027 Parent College Preparation Workshop Series

The college application journey is filled with information and moves quickly. Many parents want to support their children behind the scenes, yet often feel unsure of where to begin.

To help you navigate this season with greater confidence, we are officially launching the 2026–27 Parent College Preparation Workshop Series. With sessions ranging from beginner to advanced levels, we welcome you to attend the topics that best suit your needs.

Upcoming Session:
Time: Next Friday afternoon, November 13
Topic: A Detailed Guide to YIA's Academic Assessment System and Graduation Requirements
Target Audience: Parents who are new to our school's curriculum and would like a clearer understanding of the assessment system and graduation requirements

We look forward to your participation as we work together to empower our students' futures!
