COLLEGE ENTRANCE TO PARENTS SCHOOL

Going to university is an aspect that parents are very concerned about and attach great importance to. However, because overseas university applications are very different from Chinese university applications, many parents have not known how to communicate with their children or guide their children to study. In order to help parents understand the application of overseas universities and better help their children's university progress, we will organize a series of colleges and universities for parents this academic year. The first parent class will be held on Friday, October 28th from 3:30–4:20 pm. In this parent class, our two counselors will introduce you to overseas university application requirements, standardized tests and our long-term university entry planning, etc.

This parent lecture is mainly for new parents, or parents of old students who have not participated in the further education class before. If you participate in the further education class tomorrow, please send the following admission documents to the Chinese tutor before 9:00 tomorrow morning:

- 【1】 Certificate of negative nucleic acid test within 48 hours before entering the school
- 【2】 Itinerary code (the travel code shows the trajectory of Yantai City, Shandong Province)
- 【3】 Healthy Green Code

HALLOWEEN PARTY

It will have a costume party for YIA night after dinner on Oct. 31st. Students can change clothes after they eat dinner. Students can show creativity with their costumes—a superhero, a Disney character, a hotdog, a shark—the possibilities are endless! Scary costumes or costumes related to death (zombies, ghosts, etc.) are not allowed. All costumes must follow school dress code. Students not following these guidelines will be required to change clothes. Happy Halloween!!

WATER PURIFICATION SYSTEM

To provide a safe environment for learning, YIA runs a water purification system to provide clean water to our students and staff. Water is filtered through five different filters, and 1.5 tons of water can be saved in the water tank. For more information on how the system works, please refer to the picture. The local government inspected our water quality last week, and we received a glowing report this week that our water is as pure and clean as it can be. Our Operations team ensures that the system is fully operating.

ATTENDANCE POLICY–EPIDEMIC PREVENTION REQUIREMENTS

If a student is unable to arrive at school on time, parents should contact the Chinese tutor at least before 7:50 in the morning and explain the specific reason for the absence. If a student is absent from school for a day, parents should measure their child's temperature in the morning, noon and afternoon, and report the results to the Chinese tutor.

In addition to fever, students who are absent from school for other reasons should undergo nucleic acid testing the day before returning to school. After your child has completed the nucleic acid test, we hope that you can contact the Chinese tutor on the same day that your child has completed the nucleic acid test and submit a negative result to the Chinese tutor after the test results come out.

If students have a temperature of 37.3°C or higher,

- Please keep your child at home and consult a doctor and inform the national advisory stating your child's temperature, symptom(s), and treatment plan.
- The student must remain at home until symptoms resolve and the student is fever free for 24 hours. The student must then complete a COVID-19 test the day before returning to school and inform the national advisory of the negative test result.

ABSENCE HANDLING PROCEDURES AND POLICIES

1. be late

If students are unable to arrive at school on time, parents should contact the Chinese tutor at least before 7:50 am on the same day. Students who arrive later than 8:00 a.m. should go to the Chinese tutor's office for registration with the "Late Arrival Form" issued by the front desk on the first floor before they can attend class.

Students are warned twice late. Students will be required to have a one-on-one meeting with the principal if they are late three times in a semester

talk. If a student is late frequently during a quarter, the principal will meet with the parents of the late student. The number of late arrivals will be

Cleared at the beginning of each new school season.

2. Leave early

If the student really needs to leave the school before the end of school (due to illness, handling public affairs, doctor's appointment, etc.), parents should contact the Chinese teacher in advance.

3. Excused absence from work

Excused absences include illness, death of family members, and pre-approved family activities.

In cases of excused absence, parents should contact the Chinese tutor at least before 7:50 am on the day of absence. Students who have accumulated more than three absences due to illness in a semester must come to school with a certificate issued by a doctor. If you are absent from work for 2 days or more due to work or illness, you must apply in writing to the principal at least one week in advance.

*Students who are unable to attend classes due to illness will not be able to participate in sports activities.

4. Unexcused absence from work

Students who are absent without a reasonable excuse will receive zero marks on assignments or exams for the day and will not be eligible for the day after-school activities. Unexcused absences on Friday will result in students not being able to participate in weekend activities.
